We are Here to Help You with Your Room

Helping You Take Your Rooms from Inspiration to Realization

Welcome to the new way to makeover the rooms in your home. We've made it easy, fast, affordable, convenient, and fun for you to get great design help for your projects.

You can now get online, ala carte, professional assistance for the parts of your project that you choose. Imagine how easy your room projects will be with the convenience of answers to your design dilemmas, the organization of a 7 step makeover checklist, the power of a 3-D Room plan with a fun online 3D viewer, and the confidence and convenience of the personal shopping service. We even have a FREE Designer Quotation form for other services you may need.

How We've Helped

“Great Concept! Just wanted to let you know how delighted I am with the website and the services offered. I would feel perfectly comfortable using the various online services and recommending the site to my friends.

It opens a world of possibilities, particularly to those of us who choose to live in rural areas and have access to a limited number of designers. *Dorothy R. - Nova Scotia*”
